Re: Patent Application Serial number 10/088,102

In response to you questions about charges to your deposit account in your letter of 11/08/02:

Per your instructions, \$470.00 was deducted from you deposit account on 8/26/02 (assuming our 8/26/02 date of deduction and the 8/30/02 date you referred to is the date of you monthly deposit account statement, and represent the same transaction). \$430.00 for the basic fee (EPO or JPO search), and \$40.00 for assignment recordal. The basic fee is \$445.00, so and additional \$15.00 was needed to complete the basic filing fee.

The \$655.00; \$640 was accredited against the Petition fee, and the other \$15 dollars was applied to the basic filing fee.

The \$510.00 amount on the filing receipt represents the \$445.00 basic filing fee and a \$65.00 surcharge for late filing of missing parts.
